Spirit Fundraising

Successful fund raisers are necessary to make your special events happen. The main keys to a successful fund raiser are:

SPIRIT

- A good, long lasting product
- · Appealing to a wide population of people
- Promotes your school or company spirit
- · Easy to sell and market
- · Earns a profitable rate of return

AJ's socks in your theme colors will promote team spirit for your school or organization and generate a fundraising profit. Socks are available in Stripes, Solid, Checks, Dots, Stars and Hearts. Check elsewhere in this catalog for a list of stocked colors or consider a custom order. Combine stock items and custom socks to create a broad range of spirit and promotional socks.

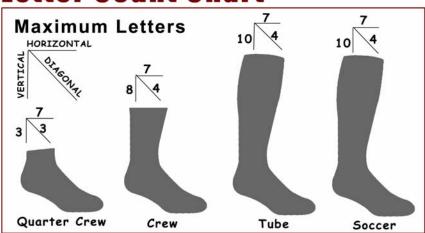

Create your own custom socks with up to two colors printed on a third color base sock. Custom socks can also include letters (plain or outlined), a logo, or your own personal design. Refer to our "Custom Sock Orders" page to create your customized socks.

Custom Sock Orders

Custom socks can be ordered in any of the 28 colors shown on page 5. You can choose up to two additional accent colors for your custom lettering, stripes or graphic. All designs are woven into the sock!

Letter Count Chart
