## FOOT NOTE !

---

Lately, we've had many orders for our colorful striped and solid socks shipping to shops near universities and high schools. For example, we have sent many blue & orange striped and solid colored socks to the region near the University of Illinois. We have had similar increases in orders near the campus of Penn State, Louisiana State, Ohio State, Florida State, etc., as well as many high schools nationwide.

Socks in team colors are a quick and easy impulse sale. Try displaying the school colors in your store windows for a great way to show school spirit while boosting sales. Order striped and solid socks in your team colors today!
